REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The primary reason for allowance of claims 1-6 is the claim 1 limitation that the controller adjusts a moving range of the focusing lens group for detecting contrast in accordance with a degree of reliability of the phase-difference in-focus position. The primary reason for allowability of claim 7 is the limitation that the controller adjusts a distance from a position of the focusing lens group to the phase-difference in-focus position, for detecting the contrast by the contrast focus detector in accordance with a degree of reliability of the phase-difference in-focus position. The primary reason for indication of allowance of claim 8 is the limitation that a distance from the phase-difference in-focus position is controlled in accordance with a degree of reliability of the phase-difference in-focus position.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
